

Gray County —If you own a business in Gray County and have tangible personal property used to produce income such as office equipment or inventory, you must report that property to the Gray County Appraisal District (GCAD).

While the deadline to file a rendition is April 15, the chief appraiser is granting an automatic extension to May 15 for all business personal property accounts for tax year 2020.

“I decided to grant an extension to May 15 because so many businesses have been impacted by the COVID-19 pandemic,” said Tyson Paronto, chief appraiser. GCAD also encourages you to send your rendition via email to info@graycad.org, E-signatures are allowed for 2020 renditions or mail it to Gray County Appraisal District at P.O Box 836 Pampa, Tx 79066-0836. GCAD is reminding all business owners that they must report personal property to the appraisal district by filing a rendition listing the property. Personal property is tangible property that can be owned, but it does not include land or other structures attached to the land such as buildings or fences. Examples of personal property include computers, desks, chairs, office supplies, business inventory, machinery and vehicles used to produce income, along with other items used in the business. A rendition is a report that lists all the taxable property the business owner owned or controlled on January 1 of this year. Owners do not have to report exempt property, such as church property with an approved religious exemption or an agriculture producer’s equipment used for farming.
